 Location:	Tigray, Mekelle, Ethiopia

JOB SUMMARY

A recent graduate (10 November 2024) in **Computer Science and Engineering** from **Mekelle University, Mekelle Institute of Technology**, with a distinguished academic record (CGPA 3.83). Possesses strong foundational knowledge and hands-on experience in **Data Science, Machine Learning, Artificial Intelligence, and Software Development**. Skilled in **System Engineering, Data Center Management, and Cybersecurity**, with a focus on **applying analytical and problem-solving skills** to drive efficiency and innovation. Eager to leverage technical expertise and collaborate effectively within a team to contribute to meaningful projects in a **forward-thinking organization**.

EDUCATIONAL BACKGROUND

Bachelor of Science Degree (BSc.)

- Mekelle University, Mekelle Institute of Technology [Sep 27, 2010 E.C – April 03, 2016 E.C]
- City: Tigray, Mekelle, Ethiopia
- Website: www.mu.edu.et
- Field of Study: Computer Science and Engineering
- current grade: CGPA= 3.83/4.0

Certificate of Preparatory

- Axum Preparatory School [Sep 01, 2008 – July 07, 2009 E.C]
- City: Tigray, Axum
- Final grade: 475/700

Certificate of Secondary School

- Daero Hafash secondary School [Sep 01, 2006 – June 20, 2007 E.C]
- City: Tigray, Daero Hafash
- Final grade: 4.0/4.0 with very great distinction (Equivalent to all Grades A)

Certificate of Primary School

- Maytrungui Elementary School [Sep 01, 1998 – June 28, 2005 E.C]
- City: Tigray, Daero Hafash
- Final grade: 96.1/100 (Percentile)

WORK EXPERIENCE

Industry Internship – Final Year, Semester One

Mekelle Institute of Technology (MU-MIT) | Feb 2024 – May 2024

- Project: **MdPredInsight – Interactive Medical Dashboard**
- Developed a dashboard integrating predictive machine learning to support medical decision-making and patient care
- Backend: NodeJS | Frontend: ReactJS | Machine Learning: Flask (Python)
- Implemented advanced **data visualization for complex healthcare data**
- Gained practical experience in applying software development, **database management**, and **predictive analytics in a real-world healthcare setting**

Part-time Experience

Instructor & HR/Finance Assistant

H2 Language and Computer Training Center (in collaboration with IC Software Solutions PLC) | Jan 2023 – Present

- Delivered instruction and mentorship in: Computer Basics, Digital Literacy, Graphics Design, Computer Networking, AI Fundamentals, **Database Management (Microsoft Access & DBMS)**
- Managed key operational, finance, and HR functions for institutional support
- Developed strong technical, teaching, organizational, and communication skills
- Built experience in **problem-solving, leadership, and multi-role management**

DIGITAL SKILLS

- **Programming & Development:** C, C++, Python, ReactJS, NodeJS, Flask
- **Data & Machine Learning:** AI, Machine Learning, **Data Science**, Image Processing, Computer Vision
- **Database & Tools:** MongoDB, Microsoft Access, **DBMS**, Data Visualization
- **Other Skills:** System Engineering, Cybersecurity, **Data Center Management**

SOFT SKILLS

- problem-solving Skills, Good Communication Skills, Good Creativity Skill
- Discipline and Commitment

Courses, Certifications, and Trainings

- Introduction to Career Skills in **Data Analytics** – LinkedIn Learning
- Learning **Data Analytics: Foundations** – LinkedIn Learning
- **Data Science Internship Tasks** – Prodigy InfoTech
- **Fundamentals of Networking** – CISCO Academy
- **Introduction to Cybersecurity** – CISCO Academy

Projects

❖ **MdPredInsight – Interactive Medical Dashboard**

- Internship project integrating predictive machine learning and data visualization for healthcare decision-making
- Tech Stack: NodeJS, ReactJS, Flask (Python), MongoDB, data visualization tools
- [GitHub Repository](#)

❖ **Automatic Receipt Scanner**

- Mini-project using Computer Vision and OCR to automate receipt scanning
- Tech Stack: Python, OpenCV

❖ **Sign Language Detection**

- Final year project using CNN and OpenCV to detect sign language gestures
- Tech Stack: Python, TensorFlow, OpenCV

References

The following individuals can provide professional references and verify my skills and experience:
